Dear Judge Pauley:

This firm represents Plaintiffs in the above referenced matter. Plaintiffs request that the Court grant them an extension of time in which to file their Opposition to Defendants' Motion for summary judgment and allow Plaintiffs to file their Opposition by Friday, July 22, 2005.

Pursuant to the current Scheduling Order, Plaintiffs' Opposition is required to be filed by Thursday, July 21, 2005. Plaintiffs are requesting one additional day in order to complete their Opposition. Plaintiffs have received consent from all Defendants regarding this request for an extension of time. Plaintiffs have also consented to Defendants request for one additional day in which to file their Reply. No previous request for extensions have been requested by either Plaintiffs or Defendants. The requested extensions will not change the other deadlines in the current Scheduling Order.

Therefore, Plaintiffs respectfully request that the Court allow Plaintiffs to file their Opposition to Defendants' Motion for summary judgment by Friday, July, 22, 2005, and allow Defendants to file their Reply by Tuesday, August 2, 2005.

Respectfully submitted,

Paul A. Chin
